SPEAKERS

Lindsay Baker, MEd, BEd.
Lindsay is a scientist at the Li Ka Shing Knowledge Institute, Lead Educator Researcher at the Centre for Faculty Development and Assistant Professor in the Department of Psychiatry.

Matt Boyle, MD
Dr. Boyle is the Postgraduate Site Director at Sunnybrook Health Sciences Centre.

Mahan Kulasegaram, PhD
Dr. Kulasegaram is a scientist at the Wilson Centre and his research examines assessment from both a psychometric and a cognitive perspective.

Karen Leslie MD, MED
Dr. Leslie is Director, Centre for Faculty Development and Professor of Paediatrics, Faculty of Medicine, University of Toronto

Susan Lieff MD, MED
Dr. Lieff is Director of Academic Leadership Development, Centre for Faculty Development and Professor, Department of Psychiatry, University of Toronto

Clyde Matava, MD
Dr. Matava is an Assistant Professor and the Director of Innovation, Informatics and Technology, Department of Anesthesia and Pain Medicine at The Hospital for Sick Children.

Karen Shin, MD
Dr. Shin is Medical Director of Ambulatory Mental Health Services at St. Michael's and co-leading the development of the Longitudinal Ambulatory Experience across The Department of Psychiatry’s teaching sites.

Ivan Silver, MD, MEd
Dr. Silver has held many education leadership positions, including the founding Director of the Centre for Faculty Development and most recently the Vice-President of Education at CAMH.

Walter Tavares, PhD
Dr. Tavares is a scientist at the Wilson Centre and his research examines ways of optimizing performance based assessments in work and simulation settings.
